The 5th. National Coin Week in central Ky. was observed for 3 days April 18-19-20, 9:00 am to 5:00 pm at the Danville Ky. public library with a very good display of old coins. In the display was Mercury dimes Washington quarters, Walking Liberty Halves, Franklin halves, and Morgan and Peace silver dollars, Regular proof set's, plus the Washington Commemorative Half in proof and unc.

The medals were a wide variety of private mint medals and A.N.A. badges, medals sets, tour pass medals, etc., and the very rare 1954 badge in 10 K gold, and Sterling Silver.

The feature part of the display was a nearly complete assembly of the current Olympic Commemorative coins from the Mint, complete in regard to the various mintmarks and packageing arrangements the U.S. mint offers. These Olympic Commemorative coins took up nearly all of the top shelf of the display case, also included with these coins was a set of the brass transportation tokens of the Southern California Rapid Transit District. These tokens and the six coin set of silver and gold Olympic coins were used in newspaper articles and a tv news feature on the 6:00 pm news. (see Exhibit photo)

The Three day exhibit was the best yet with many people coming in and stoping to see the exhibit. Ma ny people also wanted information not only on the exhibit coins and medals but on other coins they brought in. New members were signed up to membership in A.N.A., this was helped by my giving a copy of the new counterfiet detection book to those joined and paid at that time. The new members are,

Mr. Ernest Kirkland
337 Twin Brook

William Shearer
rt. 1 Lexington rd.

David A. Rankin
1111 Elm ST.

all of these are in Danville, Ky. 40422

A proclamation was obtained from Ky. Governor Martha Layne Collins in a signing ceremony on April 11, 2:00 p.m. (see photo) This proclamation was displayed on top of the exhibit case. I had a 13% increase in attendance this year along with the three new members. Also this year I had very good TV coverage on W K Y T channel 27, a C B S affiliate.
(I have a tape copy of the TV news spot)

Advertising was started for this years National Coin Week in February first with a request for the proclamation from Ky. Governor Collins on February 6, and the rest of the month planning. In March I started traveling around to the towns and cities around Danville Ky., visiting radio stations and newspapers. While in these towns I put up my posters in banks and other heavy traffic area's. The following is a list of those radio stations and newspapers I went to.

W V L K AM & FM Lexington, Ky. this station used my news release and also did a telephone interview, with a question and answer format.

W H B N AM & FM Harrodsburg, Ky. this station also used the news release and conducted a telephone interview, also with question and answers.

W K Y T --T V Channel 27 Lexington, Ky. (CBS) This station sent a interviewer and and cameraman to Danville, Ky. I was interviewed about National Coin Week and coin collecting in general. Shots were also taken of some of the coins and medals in the case as well as some taken out of the case for better shots. About 15 minutes was taken on tape but only about 3 Or 4 minutes were aired on T V.

the following stations only used my news release

WNGE	FM	DANVILLE, KY.
WHIR	AM	" "
WKLO	AM	" "
WTCO	AM	CAMBELLSVILLE, KY.
WSEK	FM	SOMERSET, KY.

these announcements were made on a community calender time period.

The following newspaper ran articles one to two weeks in advance of N C W. The Lebanon Enterprise ran the article labeled 1-a lebanon, ky. The article labeled 1-b danville, ky., ~~from~~ is from the advocate messenger in danville ky. The following article from the Harrodsburg Herald was a lot better job plus photo's of display material, labeled 2-a harrodsburg, ky.

Some of The local civic clubs were contacted to inquire about talks on numismatics, also the local schools, the schools were to be on spring break and the civic clubs that seemed interested we could'nt work out a satisfactory schedule, the others just did'nt want to.

One small group of children did come in as a group with three adults a thorough explanation of the exhibit material and National Coin Week was given. On a smaller scale with parent and child this was repeated several times. For the three new members signed up a wide variety of information and membership service's items were given to each of them.
